Model Telescopic handlerKT557

Article number: 19582046 - PU 1

KRAMER WITH REALISTIC DETAIL

This model brings the KT557 telescopic handler straight into your collection. The grapple bucket highlights the machine's character, whilst the Kramer box ensures it looks smart on a shelf or in a display cabinet. For everyone who appreciates Kramer down to the last detail. The true-to-life design makes this model more than just a decoration. A collector's item that perfectly captures the essence of Kramer.
