Product data sheet

Bath towel

Article number: 19800046 - PU 1

BIG ENOUGH FOR A RELAXING BREAK

The soft terry cloth feels pleasant to the touch, whilst the embossed weave gives the design a subtle yet striking look. Whether at the lake, in the swimming pool or after a day's work. This towel showcases Kramer visibly, without being ostentatious. For moments when comfort and Kramer go hand in hand as a matter of course.

Material	100% Baumwolle
