T-Shirt Men Drive green

Article number: 19800119 - PU 1

MACHINE IN THE SPOTLIGHT

This T-shirt really brings the Kramer look to the fore. The rich green has a brand-like, understated feel, whilst the light-coloured machine print featuring a telescopic loader and large lettering immediately catches the eye. At the bottom, the black Kramer label provides a neat finish. A T-shirt that looks like it's been through the mill yet still remains modern.
