T-Shirt Men Drive grey

Article number: 19800120 - PU 1

FULL CONTROL IN A FIELD LOOK

This T-shirt puts the Kramer logo right on your chest. The grey T-shirt has a understated look and is perfect for everyday wear, whilst the green round bale in the background really adds depth to the white telescopic loader design. The black outline markings and the small hem label give the look a modern, technical and clean feel. This is what Kramer looks like when work and style go hand in hand.
