Hoodie Men Oversize Drive

Article number: 19800124 - PU 1

FULL SPACE FOR THE TELESCOPIC LOADER

This hoodie has a dark, clean and bold look. At the front, the design is deliberately minimalist, featuring small 'Full Control' lettering on the chest and a Kramer label on the pocket. At the back, the green telescopic loader stands out against a black background, and the white lettering gives it a clear, technical look. Casually cut, strikingly designed and tailored to everyday life at Kramer.
